#### HUMAN SOULS.

Human souls of every kind
Sail the human sea;
Some have vessels to their mind,
Nedlog fact and free;
Others' terests, dwarfed, confined,
Unesworthy beSome stails see and some are blind,
Having oyes to see.

Some souls have their firmament Light with goldern stars; Some are shaded in, and pent, Rimmed with vapor; tears; Some with hasveol; radiance blent Ever; such to Hary; Soule are with the rate begreent Undermeath the stars.

Some souls twinkle some souls shine,

Others meither one; Some like dimonds in the mine, Others—in the run. Same sents roun the starry park, Some sank in the shade Some lie in the mondy dark. Down where graves are made.

Some souls habitations make, Hemmind with mortal strond; Some build grantly in the break of the drifting chonds. Some souls ring with music spent, Whence its securce is found; Others are with discord rent. From the trodden ground.

Human souls of every grade Build the best they choose; ach can give another aid— Some give, some refuse, one are drowned with sunlight streams From the heaven'y seas;

### From the heaven'y reas; there not, and many g cans Those may give to these.

MEN'S HAPPINESS VICARIOUS. Happy the men who delegate Their pieceures, varities, and state To se. Their nature seems to be To enjoy themselves by deputy,

For, seeking their own benefit,—

Dear, what a mose they make of it?

A man will work his biones away.

If but his sale will only play;

He does not mind how much he's tonsed,

So that bis plague looks always pleased,

And never thanks her, while he lives,

For any thing but what he gives.

— Coversey Patramer.
